2018 Tour 'England & Wales'

"A Lodge in Every Province"

No. 5196

"Brethren, it is my intention, over the period between now and the culmination of the 2018 Festival, to attempt to visit a lodge in every one of the 47 provinces in England and Wales. This will involve considerable logistical planning including travelling around 13,000 miles, arranging ferries, flights and accommodation as this challenge will include the Isle of Man and the Provinces of Jersey and Guernsey & Alderney also. I will be undertaking this as quickly as I can and I am already well advanced in my planning. PLEASE DIG DEEP AND SUPPORT ME AS MUCH AS YOU CAN BY SPONSORING EITHER 'PER VISIT' OR BY A SIMPLE 'ALL IN' PLEDGE. I hope to publish a list of dates and destination should any brother wish to accompany me on any visit. Thank you in advance for what I hope will be your considerable financial and moral support."
